Dear Parents and Carers,

You may have noticed that Mrs Adair has been absent from the Academy over the past few weeks. I wanted to write to let you know that Mrs Adair will continue to be away from the Academy for the time being.

During this absence, appropriate arrangements have been put in place to ensure that the Academy continues to operate as normal and that our children and staff are fully supported.

I appreciate that parents and carers may have questions. However, I hope you will understand that, as this relates to an individual member of staff, we are unable to provide any further information.

Our priority remains ensuring continuity for our children and maintaining the day-to-day running of the Academy. The Trust will continue to provide any additional support that may be required during this period.

In the meantime, please continue to raise any questions or concerns through the usual Academy channels. Mrs Roper has day-to-day operational responsibility for the Academy and is supported by the Moorcroft Wood Leadership. Miss Newton, Head teacher of one of our other academies within the Trust, is also providing strategic leadership support and will be on site throughout the week.

Thank you for your understanding and continued support.

Paul Drew
Chief Executive Officer
Lighthouse Multi Academy Trust
