1. Aims

Moorcroft Wood Academy aims to:

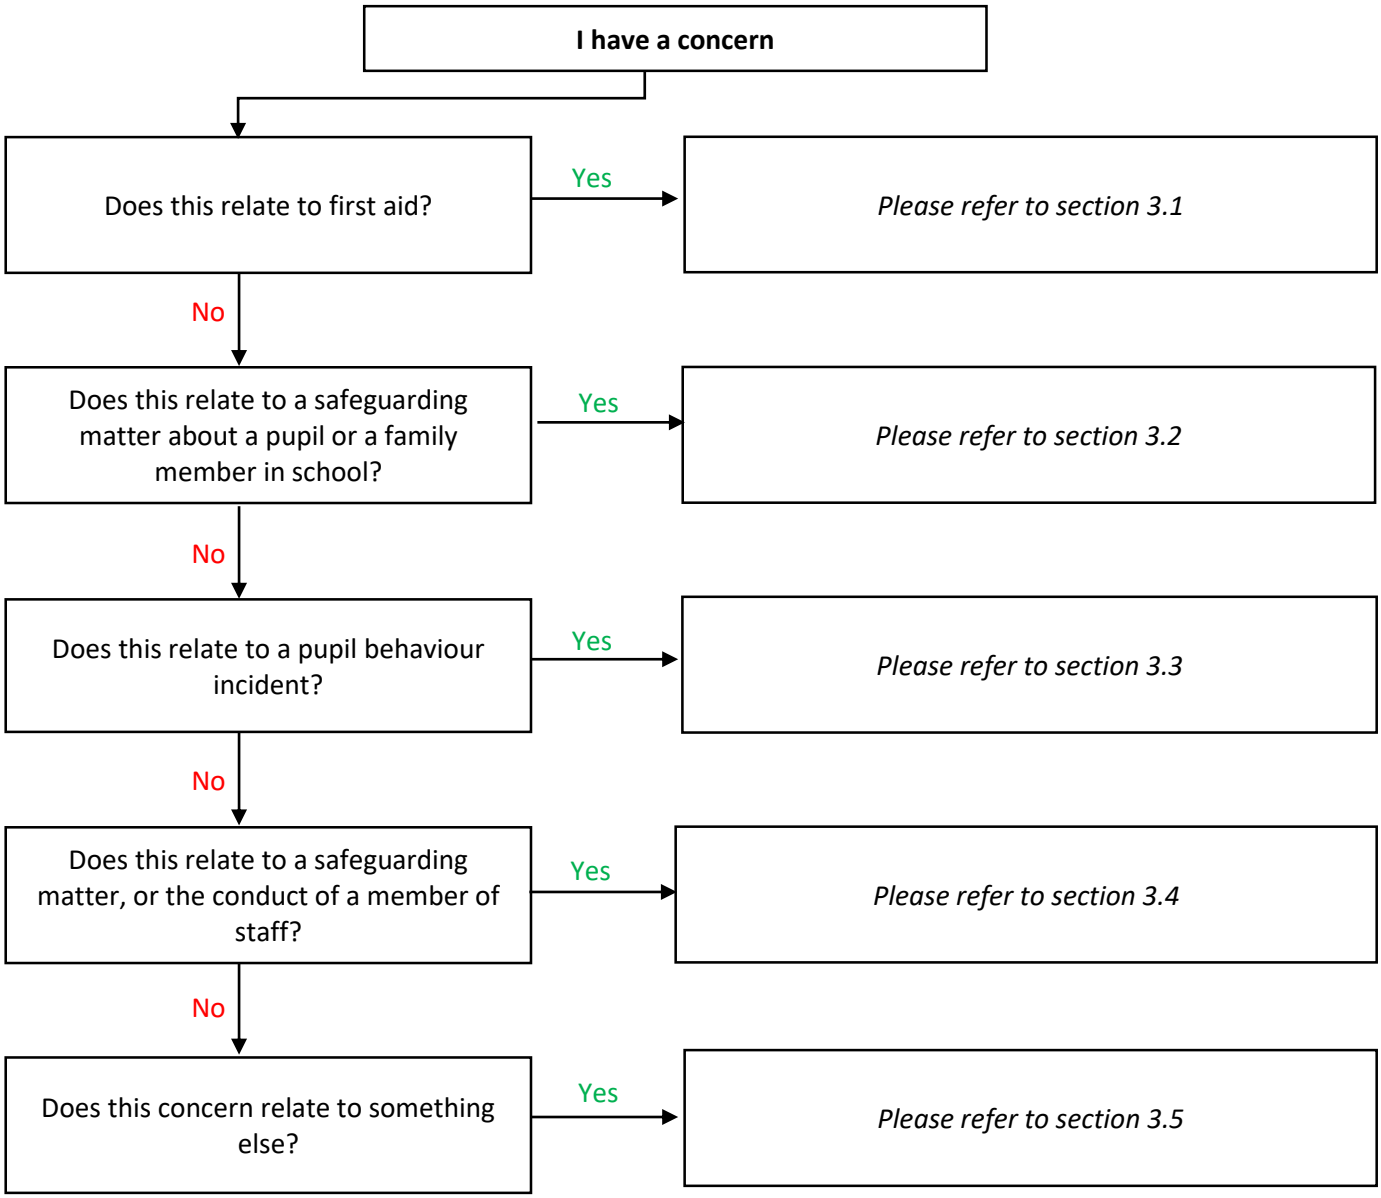

- Provide parents and carers with clear parameters and processes of raising, and escalating, concerns via the school's established systems and structures.

2. Scope

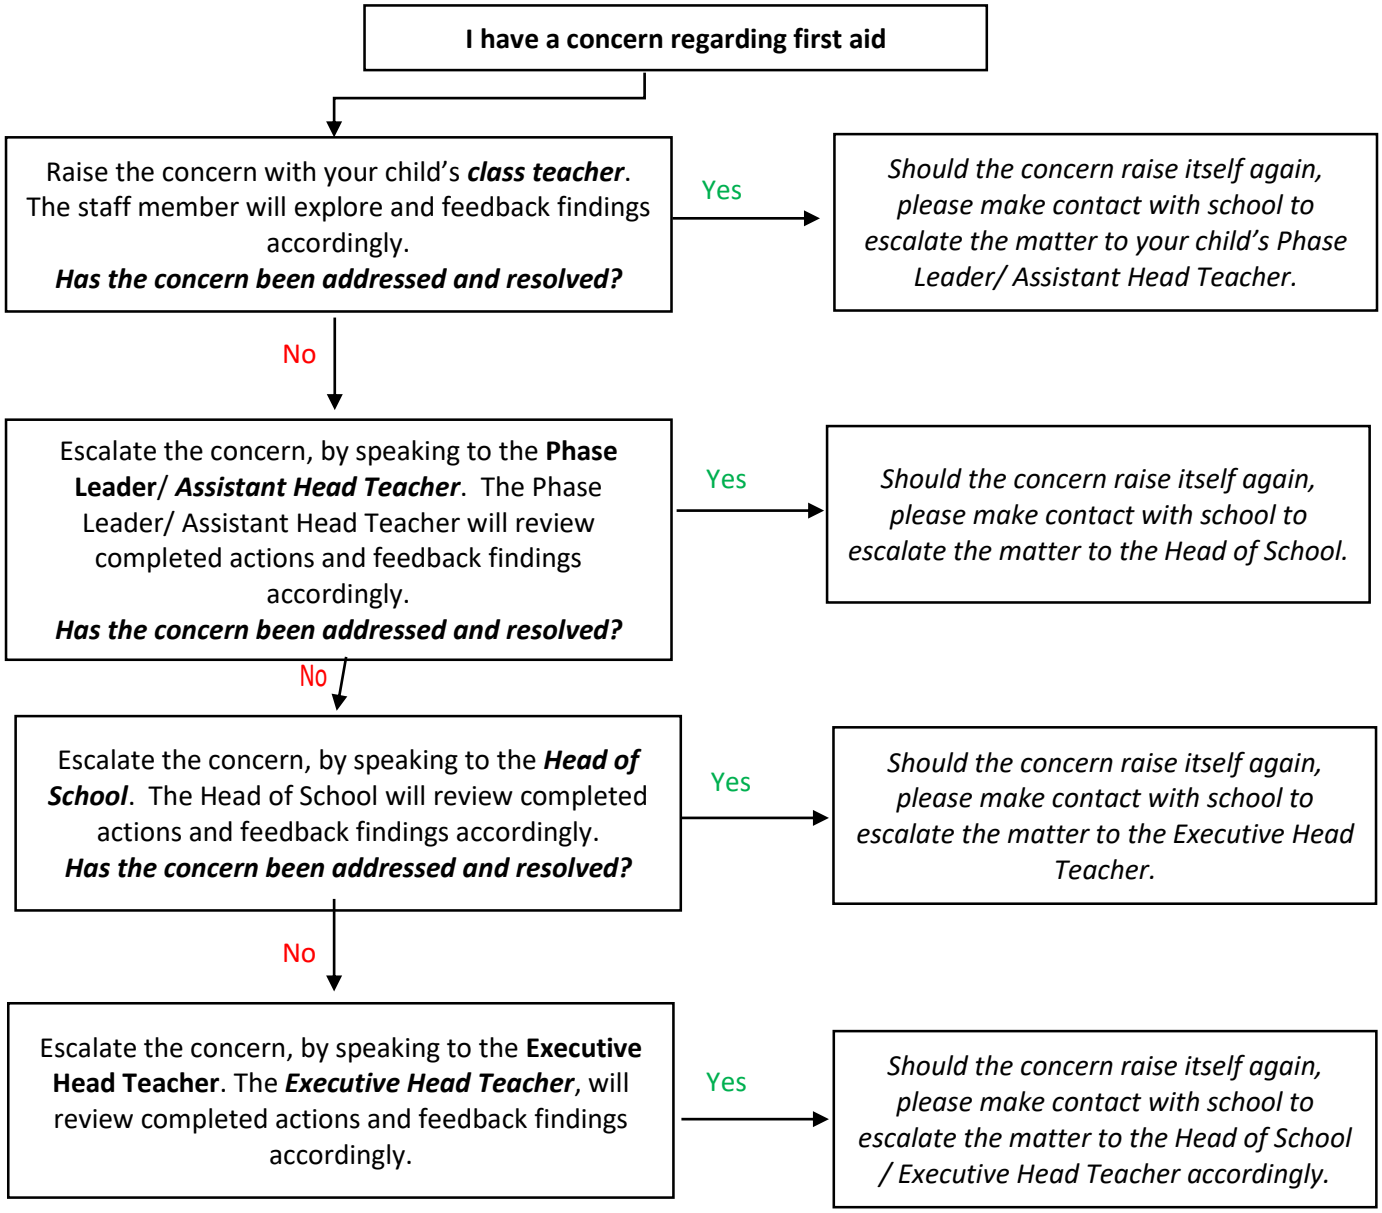

This protocol applies to all parents and carers whose children are affected.

3. Contact Protocol Flowcharts

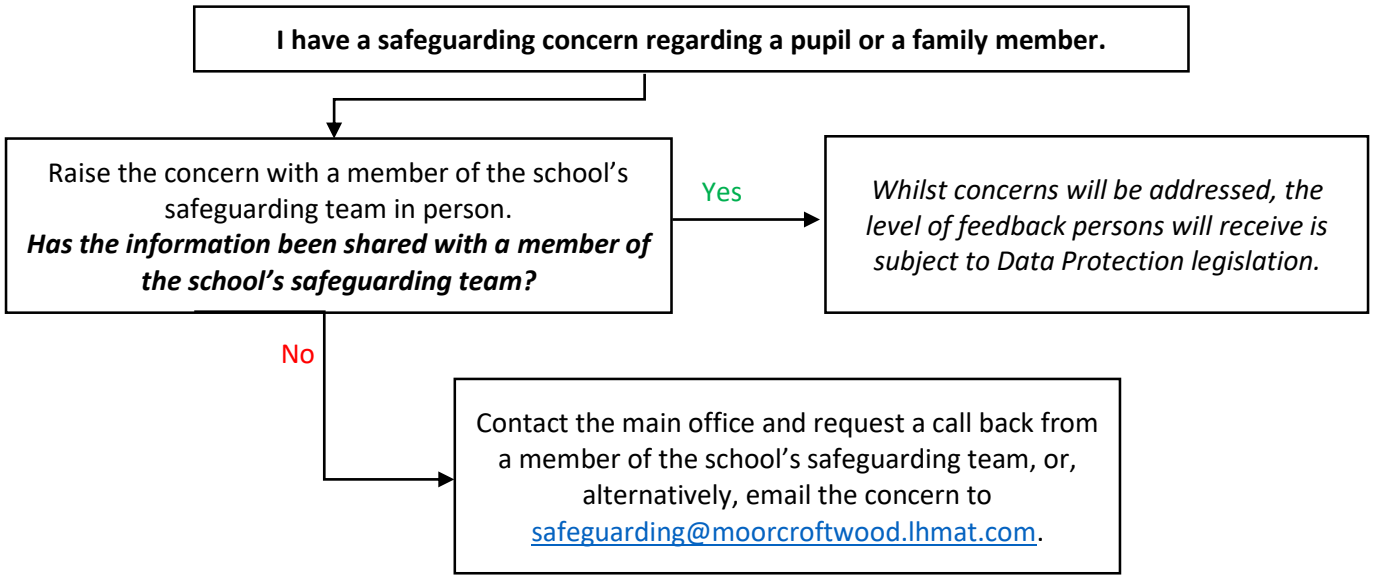

When raising concerns, parents and carers should follow the flowchart below, as this will ensure the right person addresses the matter in the right instance.

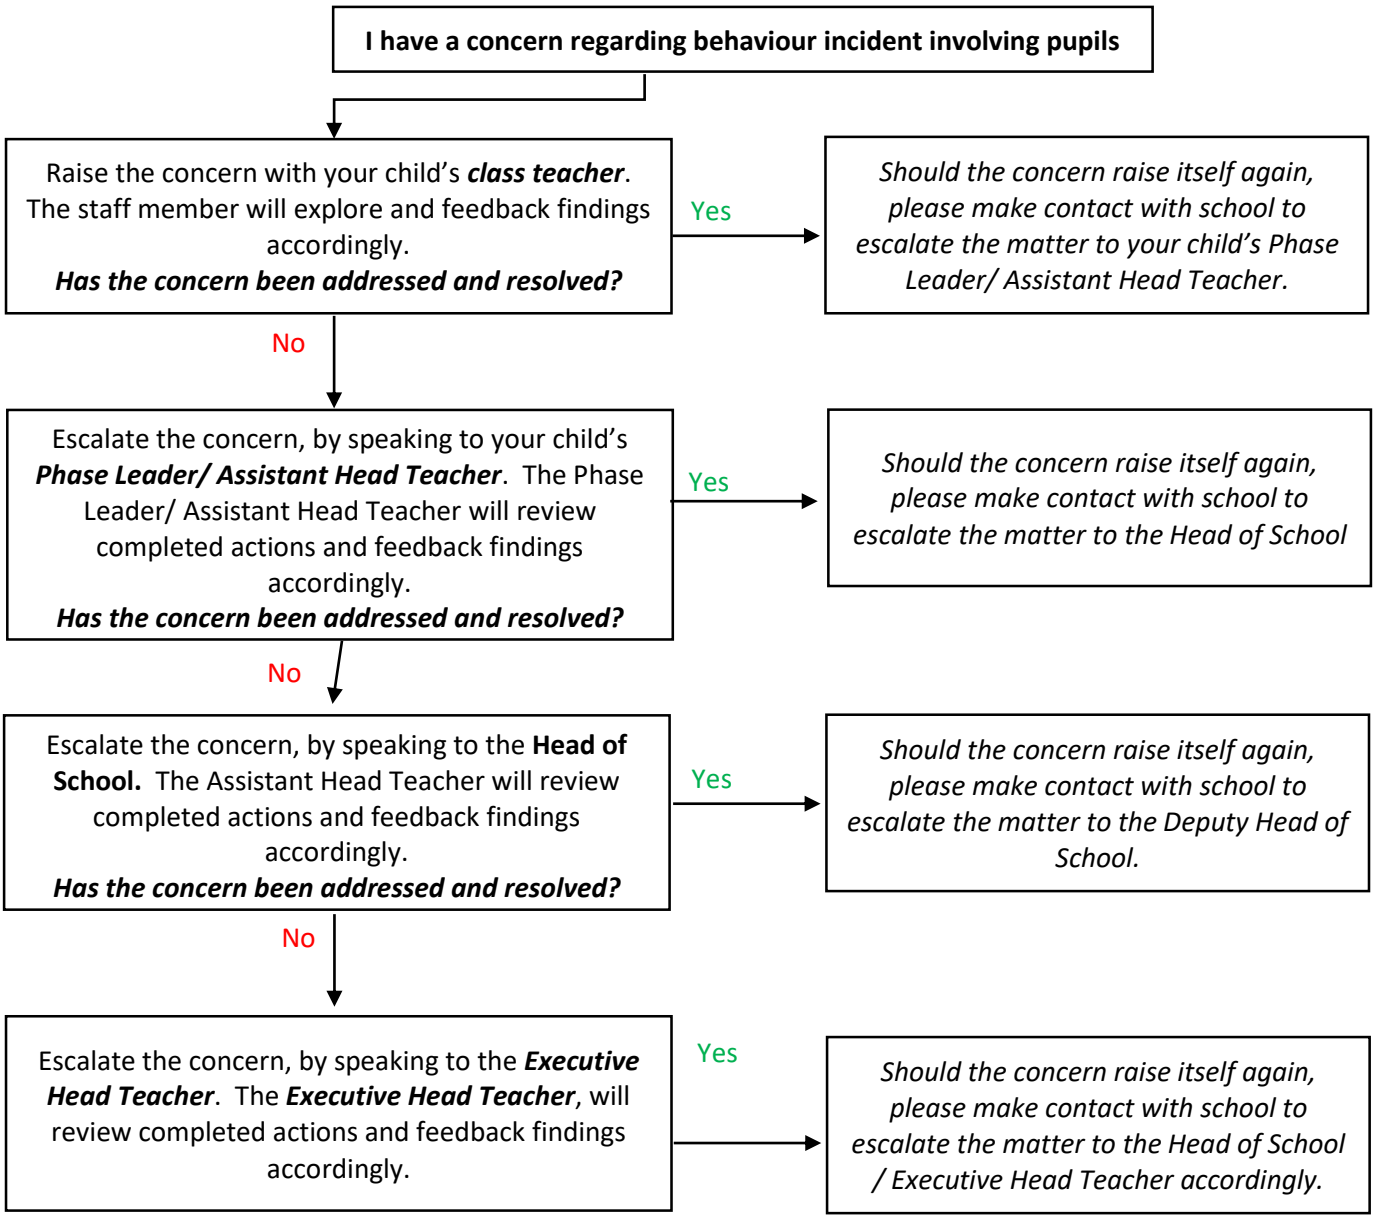

3.1 Raising Concerns about First Aid

3.2 Raising Safeguarding Concerns about a Pupil or family member in school

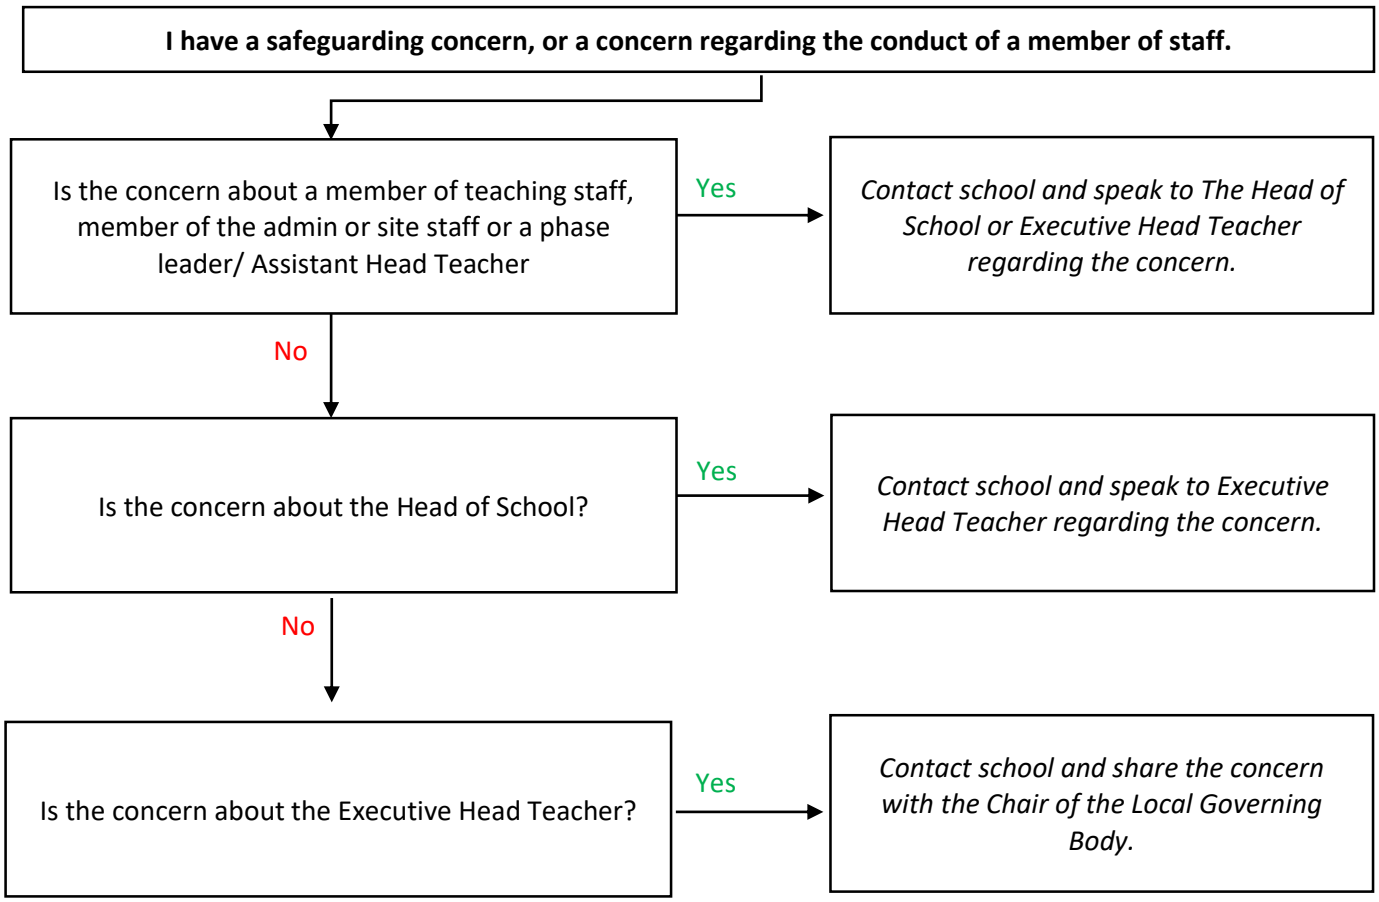

3.3 Raising Concerns about the Behaviour of Pupils

Please note that, as a result of an evaluation of the presenting concern, staff may escalate the concern higher than the directed pathway as stated on this protocol flowchart.

3.4 Raising Safeguarding Concerns, or concerns about the conduct of member of staff

3.5 Raising Concerns not addressed from sections 3.1 – 3.4

If parents / carers have a concern that is not addressed via sections 3.1 – 3.4, then they should contact the school office and share the nature of their concern. This will be shared with Senior Leaders, who will identify an appropriate manner in which to address the concern. Methods of escalation, should the matter remain unresolved, will be shared as part of the process.

4. Monitoring and Review

This policy is reviewed annually by the Executive Head Teacher and the Head of School, or in line with any in-year review of the school's systems and procedures.
